OUR COMMITMENT TO YOU

USA Title & Escrow, Inc., is a full-service title insurance agency dedicated to providing exceptional title insurance and real estate closing services to Lenders, Realtors, Builders, and to the Public.

We began with an idea that our combined backgrounds would allow us to provide faster and more accurate title services, and have expanded into a full service title company to meet the growing needs and demands of our industry. Throughout the State of Tennessee, we are prepared to handle all your real estate transactions.

Our CEO, Rebecca Loree, has an extensive legal background, working as a paralegal for several large legal firms in Nashville, Knoxville, and Atlanta, GA. Her background also includes banking, first as a paralegal at SunTrust Bank in Nashville in the Legal Department, going on to become department head and senior paralegal in the Home Equity Loan Department of SunTrust Bank. Her real estate background includes several years as an Affiliate Broker, then continuing her education to become a Real Estate Broker. The staff of USA Title & Escrow, Inc., has 50+ years combined experience in the mortgage, legal, banking, and corporate fields.

As your title company, we will perform title searches, prepare title commitment within 24-48 hours of receiving initial title order, order and track payoffs, assist in clearing any clouds on title, prepare settlement statements, closing documents, and act as the escrow agent. Our service and the quality of our work behind the scenes is what sets us apart. We take the utmost care and diligence to insure your interests are handled properly, professionally, and with careful attention to detail by our staff.

WE ARE COMMITTED TO EXCEEDING YOUR EXPECTATIONS
